

Learning Improvement Plan Summary

STEP 1 Analyse and Prioritise

Site: Dernancourt Kindergarten

Goal: To support learner agency through a culture that supports risk taking and innovative ways of doing and being.

STEP 2 Strategic Changes

Futures thinking - evidence informed.

Site Culture - working differently.

Educators risk taking

Building a Prototype

(Contact Site for further details)

Success Criteria:

Evidence of learner agency in both educators and children

Refer to Prototype - *“Innovative Educators: Embracing Risk and Transforming Learning”*

Educators demonstrating evidence of the *Department for Education Strategy*, guiding principles-

Confidence and vulnerability to try new things or change the things we can do better.

Praiseworthy failure, through exploration and testing boundaries.
